### **NORTH MYRTLE BEACH'S TIDEWATER GOLF CLUB RANKED AS ONE OF TOP TEN " BEST COURSES YOU CAN PLAY" IN SOUTH CAROLINA BY GOLFWEEK**

#### **The Magazine's Recognition For Top Golf Courses Honors Tidewater With World-Renowned S.C. Courses Including Kiawah Island And Sea Pines**

*May 18, 2010, Myrtle Beach, S.C. — Golfweek* has named Tidewater Golf Club in North Myrtle Beach one of the 2010 " Best Courses You Can Play" in South Carolina. The course, which ranked sixth, is known for its marvelous TifEagle grass greens, perfectly-manicured fairways, exceptional practice facility and world-class design.

Tidewater, which is managed by Burroughs & Chapin Company, Inc., spans the Little River Neck peninsula from the Atlantic Intracoastal Waterway to the tidal salt water marshes of Cherry Grove and the Atlantic Ocean.

" With all the top-notch courses across the state, it's a tremendous honor for Tidewater to be named one of the top 10 'best courses you can play,'" said Bob Swezey, executive vice president of resort operations at Burroughs & Chapin, Company, Inc. " Our team and owner are excited to be recognized along with golf resorts like the world-renowned Kiawah Island Golf Resort and The Sea Pines Resort."

Tidewater, which opened in 1990, challenges even the best players without ever punishing a well-hit shot, while also providing an experience that can be enjoyed by players of all skill levels.

The course also recently made *Golf Magazine's* "Top 100 You Can Play" listing. To this day, it remains the only layout that has ever been named "Best New Course" by both *Golf Digest* and *Golf Magazine*

In 2009, Tidewater underwent five weeks of renovations to improve its tees and greens, as well as enhance its view of the Atlantic Ocean. The project concentrated on enlarging, leveling and re-sodding all tee boxes; adding new sets of tees to enhance the playability and strategies of the design; pruning trees on the course; installing Erosion Barrier Tubing on the 10th hole for erosion control and beautification; and installing added drainage in select fairways and greens to enhance turf health.

Tidewater Golf Club will be the site of the Tidewater Charity Golf Tournament over Labor
